

**Albany College of Pharmacy
AND HEALTH SCIENCES**

Family Weekend 2009

Friday October 2nd

2:00-4:30 p.m.

Student Summer Research Award Ceremony

Research is an integral part of the educational experience at Albany College of Pharmacy and Health Sciences. Each summer the Student Summer Research Award Program, administered by the Office of Grants Administration, awards research internships to ACPHS students.

In this event, students who participated in the summer 2009 program will give short verbal presentations summarizing their work. They will be introduced by their faculty mentors and will respond to questions from the audience. Students will also receive a certificate of completion. Family members, guests, other students, faculty, staff and administration are encouraged to attend. Light refreshments will be available.
