# ALUMNI COUNCIL

## STAY CONNECTED STAY INVOLVED!

The Albany College of Pharmacy and Health Sciences **Alumni Council** represents over 6,000 graduates of the College. The council is comprised of alumni volunteers from various class years and is a key liaison for the alumni community to the ACPHS Administration, Board of Trustees and Student Body. Membership in the Alumni Council is automatic upon graduation.

Together, the Alumni Council members and ACPHS Office of Institutional Advancement, work hand in hand to implement a variety of programs, activities, communications, etc. to keep alumni involved with and informed about the College. From the production of the alumni magazine *PostScript* to recruiting fellow alumni to attend various alumni events (campus and regional), to hosting Reunion Weekend activities and assisting with Commencement, White Coat and Hooding ceremonies in Albany and at the new ACPHS *Vermont Satellite Campus*. Members of the Alumni Council play a large role in the lives of current ACPHS students as well - through the generosity of various Annual Giving and Annual Fund contributions, recruitment at career fairs, promoting the importance of *Future Alumni* involvement - members of the ACPHS Alumni Council provide a major source of financial and community support to the College each year.

## Annual Giving and the ACPHS Annual Fund

Throughout the year, ACPHS will be contacting you regarding a gift to the Annual Fund through a variety of communication mediums (i.e. Phonathon, Mail, Online, etc.). A gift to the College can be designated to a specific alumni scholarship fund, a department within the institution, etc. All contributions to ACPHS will directly benefit and support current and future students. Donations also can be made directly to the College online at [www.acphs.edu](http://www.acphs.edu). Please consider making annual contributions. The generosity from alumni and friends of the College provide financial assistance and scholarship support that carry on, sustain and propel the institutions long and distinguished history of excellence.
