AFFILIATION AGREEMENT
University at Albany and Albany College of Pharmacy and Health Sciences

The University at Albany (hereinafter referred to as "UA") and the Albany College of Pharmacy and Health Sciences (hereinafter referred to as "ACPHS") together hereinafter known as the "Parties" hereby agree by signature to this document to establish an Affiliation Agreement (hereinafter known as the "Agreement"). This Agreement will guarantee students who meet specified criteria admission to ACPHS's Doctor of Pharmacy Program and upon successful completion of the Program and degree requirements, such students will receive a Bachelor of Science degree in Chemistry (or related field) from UA and a Doctor of Pharmacy degree from ACPHS (hereinafter known as the "Program"). Students will normally complete the Program in seven years.

The academic advising, admission, transfer of credits, enrollment, and monetary conditions under this Agreement will be carried out in accordance with the following policies and procedures:

1. Initial application to the Program will be made to University at Albany.
2. Students will enroll in this Program by declaring a Chemistry (see attached curriculum) or related disciplinary major either at the time of admission to UA or early enough in their study at UA to permit them to complete all degree requirements in a reasonable time. (See the Appendix for the Chemistry option, other majors should seek advisors advice)
3. The Program requires seven years of full-time equivalency study. For the first three years the Host Institution for students in the Program will be UA, and for the last four years the Host Institution will be ACPHS. Tuition and fees will be paid to the Host Institution according to its normal policies (including financial aid, etc.). Reporting of enrollment to the National Student Loan Data System (NSLDS), whether directly or through the National Student Loan Clearinghouse (NSC), will be facilitated by the student's ~~home~~ Host institution.
4. While students are enrolled at a Host Institution they will be personally and independently responsible for applicable fees at the other institution on a per use basis.
5. Students in the Program will make a formal application to ACPHS by December 1 in the fall semester of their third year at UA and will be evaluated for admission.
6. This is not a guaranteed entrance program. Students may be eligible to matriculate at ACPHS once they have met the following requirements:
    i. completion of at least 90 credits at UA with an overall minimum GPA of 3.0 (only grades of C- or above will count towards the 90 credits);
    ii. completion of the required Pre-pharmacy courses at UA, as specified in the Appendix to this Agreement;
    iii. successful completion of the interview at ACPHS; and
    iv. completed the PCAT with a satisfactory score.

7. ACPHS will reserve ten positions in each admission cycle for qualified UA students in this program.

8. Students who have been admitted to ACPHS as part of the Program will receive a Bachelor of Science degree from UA once they have met all of the requirements for completion of the degree at UA.

9. Students will complete their requirements for a Doctor of Pharmacy once the prescribed requirements of that ACPHS program have been met.

10. In order to predict the correct number of student registrations, faculty advisors for UA and ACPHS will annually project the number of students and course enrollments.

11. Credits earned in the Program will appear on both the UA transcript and the ACPHS transcript according to the transfer credit policies of each institution.

12. Students in the Program are subject to the policies and procedures of their Host Institution, including but not limited to the academic and financial, policies, of their Host institution. The Host Institution will have jurisdiction to suspend or terminate a student based upon its own policies and procedures, subject to written notice to the student and the other institution.

13. Students will be independently responsible for transportation to and from the two campuses, but may avail themselves of the transportation services provided by the Host Institution while attending the Host Institution..

14. Students in the Program will be subject to the ACPHS' computer requirement once ACPHS becomes their Host Institution.

15. All information and correspondence pertaining to student enrollment in this Program will be directed to the UA Vice Provost and Dean for Undergraduate Education and the ACPHS Dean of the School of Pharmacy and Pharmaceutical Sciences.

16. This Program will be reviewed by the Provost or his/her designee at both institutions on an ongoing basis in order to modify the requirements as necessary. The Program may be altered with the prior written consent of both institutions.

17. Should either UA or ACPHS wish to terminate the Program, one year advance written notice will be given to the other party to the Agreement and; students already enrolled in the Program will be permitted to complete their programs of study.

18. Students successfully completing the Program will be eligible to participate in the commencement exercises of each institution.

19. Both UA and ACPHS may publicize the Program in the appropriate publications and bulletins, subject to pre-approval by both institutions. Any use of the marks, logos, or other materials protected by trademark or copyright protections ("Materials") shall be used by the Parties only with the written permission of the other party and only in conjunction with the publicizing of the Program. All such rights of use of this Material shall cease at the termination of this Agreement.

20. Any notice to either party hereunder must be in writing, signed by the party giving it, and shall be served either personally, by nationally recognized overnight courier or by certified mail with return receipt required, addressed as follows:

TO UA:
Vice Provost and
Dean of Undergraduate Sutdies
University at Albany
UNH 308
1400 Washington Avenue
Albany, NY 12222

TO ACPHS:
Dean
School of Pharmacy and
Pharmaceutical Sciences
Albany College of Pharmacy &
Health Sciences
106 New Scotland Ave,
Albany, NY 12208

or to such addresses as may be hereafter designated by notice. All notices shall be deemed delivered on the day delivered personally, the next business day when sent by nationally recognized overnight courier, three (3) business days after mailing certified mail with return receipt, or upon refusal to accept such notice or 4 days after mailing through normal U.S. first class mail.

21. This agreement constitutes the entire agreement of the parties hereto and all previous communications between the parties, whether written or oral, with reference to the subject matter of this contract are hereby superseded.

22. The relationship of the Parties to each other arising out of this Agreement shall be that of independent contractors.

23. No failure or delay of either of the Parties to exercise or enforce any of its rights operates as a waiver of any such right. If any provision of this Agreement is held unenforceable, that provision will be enforced to the maximum extent permissible, and the other provisions shall remain in effect.

Appendix: Curricular requirements

A. Prerequisites for the Doctor of Pharmacy program at ACPHS and corresponding courses at UAlbany:

Prerequisites	Hours	UAlbany
General Chemistry I & II	8	ACHM 120 & 121 and labs
General Biology I & II	8	ABIO 120 & 121 and labs
Organic Chemistry I & II	8	ACHM 220 & 221 w/ labs
Statistics	3	AMAT 108
Calculus I	4	AMAT112
Microbiology	4	ABIO 314 and ABIO 315 (lab)
Biology 200 level or higher	3	ABIO 201 & 202, A BIO 212
Physics I & II	8	APHY 105 & 108
General Psychology	3	APSY 101
Humanities	9	Humanities
Public Speaking	3	ACOM 203

B. Additional courses to fulfill the major. For example, if the student is a Chemistry Major a 300 level course in CHEM & A PHY 140 must be taken.

C. Additional UAlbany requirements for a baccalaureate degree.

One course each in the following disciplines:

Writing and Critical Inquiry
Arts
US History
International Perspectives
Foreign Language
Challenges for the 21st Century

D. In the fourth year of the dual degree program, students would enroll in the following coursework at ACPHS:

Fall Semester	Hours	Spring Semester	Hours
Pharmaceutics I	3	Pharmaceutics II	3
Physiology/ pathophysiology I	4	Physiology/ pathophysiology II	4
Biochemistry	3	Molecular Biology	3
Immunology	3	Self Care/OTC	3
Pharmacy Skills Lab I	1	Pharmacy Skills Lab II	1
IPS Workshop I	1	IPS Workshop II	1
Foundations of Pharmacy	1
