3+4 DUAL DEGREE PROGRAM

Earn your bachelor's degree in Biology from Keuka College and your Doctor of Pharmacy from ACPHS in just seven years, and you'll be well prepared to change the future of human health.

HOW TO APPLY:

- Apply to the Biology program at Keuka College.
- Submit a copy of your application to ACPHS. You will need to be accepted to each program individually based on each institution's admissions standards.
- You will formally apply to the Doctor of Pharmacy program at ACPHS by December 1st of your third year at Keuka College.

HOW IT WORKS:

- You will attend Keuka College for the first three years of the program, pursuing your bachelor's degree in Biology.
- You will attend ACPHS for the final four years of the program, completing the requirements for your Doctor of Pharmacy degree.
- Students will matriculate at ACPHS once the following have occurred:
 - o Completion of at least 90 credits at Keuka College with a GPA of 3.0 or higher
 - o Completion of required pre-pharmacy courses at Keuka College
 - o Successful completion of interview with ACPHS
 - o Completion of the PCAT with a minimum score of 20% composite
 - Passing a criminal background check
 - No significant conduct or academic integrity violations
- You will receive your bachelor's degree from Keuka College once you have completed the first year of the Doctor of Pharmacy program at ACPHS.
