

## 2 + 4 PROGRAM

Earn your associate's degree in Liberal Arts and Sciences – Mathematics and Science from SUNY Adirondack (ACC) and your **Doctor of Pharmacy** from ACPHS in six years.  
The future of health science is yours to change.

### HOW TO APPLY:

- Be enrolled in the Liberal Arts and Sciences – Mathematics and Science A.S. degree at ACC.
- Submit an application through the Pharmacy College Application Service (PharmCAS) by September 1 in the year prior to desired fall matriculation for Early Decision or March 1 in the spring prior to fall matriculation for all other consideration.
- Submit a PCAT score through PharmCAS.

### HOW IT WORKS:

- You will attend ACC for the first two years of the program, pursuing your associate's degree to complete the required pre-pharmacy courses as designated in the equivalencies below.
- You will attend ACPHS for the remaining four years of the professional program, completing the requirements for the Doctor of Pharmacy Program.
- Students will matriculate at ACPHS once the following have occurred:
  - Completion of the associate's degree by the start of the semester in which they enroll at ACPHS.
  - Completion of the required pre-pharmacy courses as designated in the equivalencies below.
  - Achieved a cumulative GPA of 3.3 or greater and math/science GPA of 3.2 or greater from ACC.
  - Achieved a minimum PCAT composite score at or above the 30<sup>th</sup> percentile, including a PCAT writing score of 3 or better.
  - Completion of an interview at ACPHS upon invitation.
- Students typically complete both the associate's degree and Doctor of Pharmacy degree requirements in six years.
