

ALBANY COLLEGE OF PHARMACY AND HEALTH SCIENCES

Completion rates - Undergraduate Students entering Fall 2010 to Fall 2014

*Completed within 150% of normal time (6 years for the four-year BS program; 3 years for the two-year Pre-PharmD program). Per IPEDS guidelines, Pre-PharmD students are considered completers when they progress into the professional PharmD program. BS students are considered completers when a BS degree has been conferred.

**Completed within 150% of normal time. National results include full-time, first-time undergraduate students intending to earn any degree or certificate at Title IV postsecondary institutions: NCES Trend Generator (<https://nces.ed.gov/ipeds/TrendGenerator/app/answer/7/19>)

Data were last updated 5/11/2020. National data for Fall 2014 are not yet released.
