**Undergraduate students* include BS-seeking and Pre-Pharmacy students.

****Graduate students* include MS-seeking students.

***Professional students* include students in the professional years of the Doctor of Pharmacy program (P1-P4).

ACPHS reports gender and race/ethnicity data on students enrolled as October 15 of each year in the IPEDS Fall Enrollment survey component. IPEDS only allows for the reporting of student gender in a binary system as either *Man* or *Woman*. Internally, ACPHS is exploring more inclusive ways to collect and report student gender data. Totals may not add to 100.0% due to rounding.
