Ambulatory Care Pharmacy Grand Rounds
Albany College of Pharmacy and Health Sciences
Webinar: February 28, 2020
1:00 pm – 2:00 pm

Ambulatory Care Pharmacy Grand Rounds: Pulmonary: Smoking Cessation & Sleep Apnea
Presented by
Raelyn Passino, PharmD
PGY1 Pharmacy Practice Resident
Albany College of Pharmacy and Health Sciences (NY Campus)

At the completion of this activity, the pharmacist will be able to:
1. Describe the epidemiology, pathophysiology, diagnosis and patient specific pharmacotherapy of various disease states
2. Apply "best medical practice" and evidence-based guidelines to drug therapy management and patient care in the ambulatory care setting
3. Describe new areas of research and advancement in the field of ambulatory care pharmacotherapy and pharmacy practice

0045-0000-20-001-L01-P / 1 Contact Hour

Target Audience: Ambulatory Care Pharmacists and Residents
Activity Overview: This program will provide pharmacists the advanced knowledge to optimize patient outcomes by focusing on the special needs of patients who may have concurrent illnesses taking multiple medications, and who often administer these drugs themselves or with the assistance of a caregiver at home, manage patients in between provider visits through treatment assessment, monitoring compliance, refilling prescriptions and provide patient education by educating and engaging patients in health promotion and wellness.
Live On-line Webinar: Albany College of Pharmacy and Health Sciences is pleased to have launched on-line, live broadcasting of continuing pharmacy education activities. Participants may register to view activities on-line from off campus. Attendees who register for remote viewing will receive a link to attend the program using their computer, tablet or phone, along with instructions to access Zoom Meeting one week prior to the webinar. They will be able to listen to the speakers and view the educational materials and respond to polling questions. In order to qualify as a live activity, questions may be posed to the presenters by means of the on-line chat function.
Continuing Education: Continuing Education credit has been approved for 0.15 live continuing education units (CEUs) or 1.5 contact hours of live continuing education. Participants must log in using your full name so that proof of participation can be confirmed. Participants must also complete the online learning assessments for the activity attended after the program to receive credit for this activity. You will have 30 days from the day of the program to complete the evaluations and learning assessments to receive ACPE credit. Upon completion and verification, your continuing pharmacy education credits will be sent to CPE Monitor. Statements of credit may be printed from the CPE Monitor website at: www.nabp.net/pharmacists.

ACPE policy states that paper and/or electronic statements of credit are no longer required to be distributed directly to learners as proof of ACPE credit. This official record of credit is located on the learner's e-profile in CPE Monitor. Printed copies of statements will no longer be distributed by Albany College of Pharmacy and Health Sciences.

Statement of Disclosure: In accordance with ACPE Standards, ACPHS requires that speakers and program planners disclose any relationships that they may have with commercial interests whose products or services may be mentioned in their presentations. Dr. Passino has nothing to disclose.
