Smorgasbord of Immunization Updates: What Immunizers Should Know
Albany College of Pharmacy and Health Sciences
Office of Continuing Education and Professional Development
A live on-line Webinar

Wednesday, November 2, 2022 / 12:00 pm – 1:00 pm

Presented by
See-Won Seo, PharmD, BCACP
Assistant Professor of Pharmacy Practice
Albany College of Pharmacy and Health Sciences

At the completion of this activity, the pharmacist will be able to:
1. Outline updates from the CDC's Advisory Committee on Immunization Practices (ACIP) (eg, pneumococcal, influenza in elderly, etc)
2. Review updates in COVID-19 vaccine recommendations, efficacy (variants) and safety
3. Discuss role of vaccines for increased incidence of infectious disease such as monkey pox and polio
4. Recommend the appropriate vaccine based on H-A-L-O (Health, Age, Lifestyle and Occupation) System based on the patient case

Activity Overview: The CDC’s Advisory Committee on Immunization Practices (ACIP) meets about 3 times each year. This CE will discuss ACIP updates from the June, Sept, and Oct 2022 (10/19-20) meetings, as well as relevant Morbidity and Mortality Weekly Report (MMWR) updates. On August 31, 2022, the FDA authorized bivalent COVID vaccines (Moderna, Pfizer-BioNTech) as booster (second booster). In addition, reformulation related to variants (eg, omicron), and updates in efficacy and safety may be discussed. There is an increased incidence of infectious diseases (eg, monkeypox and polio) being reported. The CDC has created the H-A-L-O (Health, Age, Lifestyle, and Occupation) for clinicians to help evaluate and recommend vaccines for adults.

Intended Audience: Practicing pharmacists, preceptors and student pharmacists.

Live On-line Webinar: Albany College of Pharmacy and Health Sciences is pleased to have launched live, on-line broadcasting of continuing pharmacy education activities. Participants may register to view activities on-line from off campus. Attendees who register for remote viewing will receive a link to attend the program using their computer, tablet or phone, along with instructions to access Zoom Meeting one week prior to the webinar. They will be able to listen to the speakers and view the educational materials and respond to polling questions. In order to qualify as a live activity, questions may be posed to the presenters by means of the on-line chat function.

Continuing Education: Continuing Education credit has been approved for 0.1 live continuing education units (CEUs) or 1 contact hour of live continuing education. Participants must log in using your full name so that proof of participation can be confirmed. Participants must also complete the online learning assessments for the activity attended after the program to receive credit for this activity. You will have 45 days from the day of the program to complete the evaluations and learning assessments to receive ACPE credit. Upon completion and verification, your continuing pharmacy education credits will be sent to CPE Monitor. Statements of credit may be printed from the CPE Monitor website at: www.nabp.net/pharmacists.

ACPE policy states that paper and/or electronic statements of credit are no longer required to be distributed directly to learners as proof of ACPE credit. This official record of credit is located on the learner's e-profile in CPE Monitor. Printed copies of statements will no longer be distributed by Albany College of Pharmacy and Health Sciences.
**Registration Fee:** There is a registration fee of $25.00 for pharmacists. There is no cost for Faculty, Preceptors or student pharmacists. You can register for this CE by going to the following link: [https://pharmacyce.acphs.edu/user/login](https://pharmacyce.acphs.edu/user/login). The deadline to register is Thursday, October 27, 2022.

**Statement of Disclosure:** In accordance with ACPE Standards, ACPHS requires that speakers and program planners disclose any relationships that they may have with commercial interests whose products or services may be mentioned in their presentations. Dr. Seo has nothing to disclose.

Albany College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
