# Annual Preceptor Training

Wednesday, August 7, 2019

## Agenda

12:30 p.m. – 1:00 p.m. **Registration**

1:00 p.m. – 1:30 p.m.

### **Experiential Update**

Courtney R. Caimano, Pharm.D., R.Ph., MBA  
Interim Assistant Dean for Experiential Education  
Albany College of Pharmacy and Health Sciences (NY Campus)

1:30 p.m. – 2:30 p.m.

### **When Medical and Pharmacy Students Learn from Each Other Understanding Interprofessional Education**

Amanda Engle, Pharm.D., BCPS  
Assistant Professor of Pharmacy Practice  
Albany College of Pharmacy and Health Sciences (NY Campus)

*At the completion of this activity, the pharmacist will be able to:*

- Define interprofessional education according to the World Health Organization and the Interprofessional Education Collaborative Core Competencies
- Compare and contrast medical school and pharmacy school accreditation and core entrustable professional activity requirements for interprofessional education
- Describe a medical and pharmacy student interprofessional education model and its impact on student learning and patient care
- Identify tools to help launch interprofessional education opportunities at your practice site

2:30 p.m. – 2:45 p.m.

### **Break**

2:45 p.m. – 3:45 p.m.

### **Ready, Set, Precept! An Interactive Session with CoreReadiness**

Courtney R. Caimano, Pharm.D., R.Ph., MBA  
Interim Assistant Dean for Experiential Education  
Albany College of Pharmacy and Health Sciences (NY Campus)

*At the completion of this activity, the pharmacist will be able to:*

- Understand the CoreReadiness platform and how it can be used to prepare students for Introductory and Advanced Pharmacy Practice Experiences
- Identify courses in the CoreReadiness platform that can be used for both student and preceptor development
- Create a sample Learning Path tailored to your practice site and rotation experience

3:45 p.m.

### **Program Adjourns**

Albany College of Pharmacy and Health Sciences is accredited by  
the Accreditation Council for Pharmacy Education as a provider of  
continuing pharmacy education:

#### **Medication Error Reduction / Medication Safety Symposium**

0045-0000-19-028-L05-P / 3 contact hours or 0.3 CEUs

#### **Annual Preceptor Training**

0045-0000-19-029-L04-P / 1 contact hour or 0.3 CEUs

0045-0000-19-030-L04-P / 1 contact hour or 0.1 CEUs

**Learning Objectives:** The objectives of these programs are for the participants to:

Morning Med Error/Med Safety Session:

1. Specify strategies and techniques that will help pharmacists and student pharmacists insure positive patient care outcomes related to medication error reduction and medication safety and to meet applicable licensure requirements.

Afternoon Preceptor Training Session:

1. Recognize the importance of experiential education in developing the knowledge and skills of student pharmacists to solve clinical problems and practice utilizing the pharmacist's patient care process.

**Activity Type:** Knowledge based.

**Target Audience:** Practicing pharmacists, preceptors and student pharmacists.

**Morning Continuing Education Credit:** Continuing Education credit has been approved for 0.3 live continuing education units (CEUs) or 3.0 contact hours of live continuing education for the *Medication Error Reduction/Medication Safety Symposium*.

**Afternoon Continuing Education Credit:** Continuing Education credit has been approved for 0.3 live continuing education units (CEUs) or 3.0 contact hours of live continuing education for the *Annual Preceptor Training*.

**Combined Continuing Education Credit:** Continuing Education credit has been approved for 0.6 live continuing education units (CEUs) or 6.0 contact hours of live continuing education for *both the morning and afternoon programs*.

**Registration for the Medication Error Reduction/Medication Safety Symposium:** The registration fee of \$60.00 includes tuition, handouts, ACPE accreditation, and a continental breakfast.

**Annual Preceptor Training** is offered at no charge. However, registration is required to plan for materials and meals.

To receive credit for these activities participants must sign in at registration or log in online with their full name at (<https://pharmacyce.acphs.edu/user/login>), attend the activities, and complete the online learning assessments after the program. **You will have 30 days from the day of the program (or September 7, 2019) to complete the evaluations and learning assessments to receive ACPE credit.** Upon completion and verification, your continuing pharmacy education credits will be sent to CPE Monitor. Statements of credit may be printed from the CPE Monitor website at: [www.nabp.net/pharmacists](http://www.nabp.net/pharmacists).

**Live On-line Webinar:** Albany College of Pharmacy and Health Sciences is pleased to launch on-line, live broadcasting of continuing pharmacy education activities. Participants may register to view activities on-line from off campus. Attendees who register for remote viewing will receive a link to attend the program using their computer, tablet or phone, along with instructions to access Zoom Meeting. They will be able to listen to the speakers and view the educational materials and respond to polling questions. In order to qualify as a live activity, questions may be posed to the presenters by means of the on-line chat function.

**Handouts:** Program learning materials and speaker bios and disclosures will be e-mailed prior to the program.

**Registration Deadline: The deadline to register is Noon on Friday, August 2, 2019. On-site registration is no longer accepted. There will be no exceptions.**

**Cancellations and Refunds:** Refunds, less a \$10 administrative fee, will be issued for cancellations received before Noon on Friday, August 2, 2019, 2019. Cancellations received after Noon on August 2<sup>nd</sup> will not be eligible for refund. Albany College of Pharmacy and Health Sciences reserves the right to cancel a program due to factors such as inclement weather or insufficient registration, in which case we will refund registration fees.

**Statement of Disclosure:** In accordance with ACPE Standards, ACPHS requires that speakers and program planners disclose any relationships they may have with commercial interests which may influence their content or whose products or services may be mentioned in their presentations. Any disclosures will be made in writing and during the introductory remarks. Some speakers may discuss the investigational or clinical use of medications for off-label indications for which they are not currently FDA approved.

**Attire: Everyone has a different comfort level. For the on-campus audience we suggest you dress in layers or bring a sweater or light jacket. We are unable to adjust the lecture hall's heating/air conditioning system.**
