Pharmacy Law Updates
Albany College of Pharmacy and Health Sciences
Office of Continuing Education and Professional Development
A live on-line Webinar

Thursday, October 26, 2023 / 12:00 pm – 1:30 pm

Presented by
Karl Williams, RPh, JD, MBA
Professor of Pharmacy Ethics and Law
Wegmans School of Pharmacy/St John Fisher University

At the completion of this activity, the pharmacist will be able to:
• Review the development and current status of the scope of practice
• Discuss recent amendments to the pharmacist’s legal scope of practice in New York
• Understand the Federal restrictions on harm reduction in opioid use disorder in light of the Mainstreaming Addiction Treatment Act of 2023
• Identify other developments that have an impact on the pharmacy profession

Activity Overview: NYS pharmacists will need to be aware of and compliant with the recent scope of practice laws, as well as the proposed pharmacy related laws from this year [eg contraceptive prescribing (L.2023, Ch. 128), long-acting injection amendment (S.6337/A.6779), the ongoing vitality of the PREP Act Emergency Declaration and amendments, and the Mainstream Addiction Treatment Act (MAT) and its evolving impact (CAA S1262, 2023)].

Intended Audience: Practicing pharmacists, preceptors and student pharmacists.

Live On-line Webinar: Albany College of Pharmacy and Health Sciences is pleased to have launched live, on-line broadcasting of continuing pharmacy education activities. Participants may register to view activities on-line from off campus. Attendees who register for remote viewing will receive a link to attend the program using their computer, tablet or phone, along with instructions to access Zoom Meeting one week prior to the webinar. You will be able to listen to the speakers and view the educational materials and respond to polling questions. In order to qualify as a live activity, questions may be posed to the presenters by means of the on-line chat function.

Continuing Education: Continuing Education credit has been approved for 0.15 hours of live continuing education units (CEUs) or 1.5 contact hours of live continuing education. Participants must log in using your full name so that proof of participation can be confirmed. Participants must also complete the online learning assessments for the activity attended after the program to receive credit for this activity. You will have 45 days from the day of the program to complete the evaluations and learning assessments to receive ACPE credit. Upon completion and verification, your continuing pharmacy education credits will be sent to CPE Monitor. Statements of credit may be printed from the CPE Monitor website at: www.nabp.net/pharmacists.

ACPE policy states that paper and/or electronic statements of credit are no longer required to be distributed directly to learners as proof of ACPE credit. This official record of credit is located on the learner’s e-profile in CPE Monitor. Printed copies of statements will no longer be distributed by Albany College of Pharmacy and Health Sciences.

Registration Fee: There is a registration fee of $50.00 for pharmacists. There is no cost for ACPHS Faculty, Preceptors or student pharmacists. You can register for this CE by going to the following link: https://pharmacyce.acphs.edu/user/login. The deadline to register is Thursday, October 19, 2023.
**Statement of Disclosure:** In accordance with ACPE Standards, ACPHS requires that speakers and program planners disclose any relationships that they may have with commercial interests whose products or services may be mentioned in their presentations. Dr. Williams has nothing to disclose.

Albany College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
