New York & Vermont Pharmacy Law Day
Sunday, October 16, 2016

9:00 a.m. – 9:30 a.m.
Registration and Continental Breakfast

9:30 a.m. – 9:40 a.m.
**Introductory Remarks**
David M. Kile, M.S., R.Ph.
Executive Director of Continuing Education and Professional Development
Albany College of Pharmacy and Health Sciences – Albany Campus

9:40 a.m. – 11:10 a.m.
**NYS Board of Pharmacy Update** – (Knowledge based activity) – NY Audience
Heather King, RPh
Member
NYS Board of Pharmacy
Pharmacy Compliance Officer
Price Chopper Supermarkets / Market 32

Upon completion of the activity, participants should be able to:
- Outline resources available on NYS Board of Pharmacy website
- Describe the role and responsibilities of a Supervising Pharmacist
- Distinguish between the role of a pharmacy intern and an unlicensed person
- Distinguish differences between compounding and dispensing versus manufacturing

**Updates, Review, and Discussion of Recent Developments in Vermont’s Pharmacy Regulation** - (Knowledge based activity) – VT Audience
Robert Enos, RPh, MBA
Executive Officer
Vermont Board of Pharmacy

Upon completion of the activity, participants should be able to:
- Outline the components of Vermont Act 173 and its impact on pharmacy practice in Vermont
- Describe Vermont regulations and protocols related to the dispensing of naloxone
- Review upcoming changes to Vermont Pharmacy Technician rules
- Explain the Comprehensive Addiction and Recovery Act of 2016 and its impact on filling of Scheduled II Controlled Drugs
- Explain how USP <795>, <797>, and <800> impact the regulation of pharmacy in Vermont

11:10 a.m. - 11:30 a.m.
Break

11:30 a.m.- 12:30 p.m.
**Tales from the Dark Side: How not to practice pharmacy** – (Knowledge based activity)
NY and VT Audiences
Lawrence Mokhiber, M.S., R.Ph.

Upon completion of the activity, participants should be able to:
- Describe significant cases involving misconduct of pharmacists, student pharmacists and pharmacy technicians, including illegal, unprofessional and unethical behaviors
- Identify the most prevalent situations which require enforcement actions by state boards of pharmacy
- Recall the various consequences which can be imposed by board of pharmacy actions
- Specify how practicing pharmacists can reduce their professional risks

12:30 p.m. Program Adjourned
Goals: The goals of this program are to provide pharmacists and student pharmacists with an update on contemporary legal and regulatory issues affecting pharmacy practice in New York and Vermont.

Activity Type: Knowledge based.

Target Audience: Practicing pharmacists and student pharmacists.

Continuing Education Credit: Continuing Education credit has been approved for 2.5 contact hours or 0.25 Continuing Education Units (CEUs).

Participants must sign in at registration and must complete the online learning assessments for the activities attended after the program to receive credit for this activity. Upon completion and verification, your continuing pharmacy education credits will be sent to CPE Monitor. Statements of credit may be printed from the CPE Monitor website at: www.nabp.net/pharmacists, or from the ACPHS Learning Management System.

Handouts: Program handouts will be e-mailed prior to the program.

Registration for the Pharmacy Law Day Symposium: The registration fee of $50.00 includes tuition, handouts, and a continental breakfast. The deadline to register is Wednesday, October 12th. After October 12th, you will be unable to register.

Important: Learning Management System (LMS) Registration Information

The Albany College of Pharmacy and Health Sciences Department of Continuing Education and Professional Development implemented the ACPHS CPE learning management system in February 2015. The ACPHS CPE learning management system manages all phases of each continuing education activity - from registration through completion of evaluations - with secure, hosted software.

The LMS provides program participants the ability to create and manage their own accounts, complete activity requirements, and even print certificates of attendance.

All ACPHS program participants must create a personal LMS account, which includes your NABP #, your MM/DD of birth, and the name and address of your practice site if you are a preceptor, as well as your e-mail address.

You will be able to register, receive your handouts via e-mail, complete program evaluations and learning assessments all in one place. As soon as we receive and verify your completed activity requirements, your credits will automatically be submitted to CPE Monitor.

To establish your personal account, please go to the https://pharmacy.ce.acphs.edu/.

Step-by-step instructions can be found by going to: http://www.acphs.edu/alumni/continuing-education . Once there click on ACPHS Learning Management System.

You will have 30 days from the day of the program to complete the evaluations and learning assessments to receive ACPE credit.

On-site registrations are no longer accepted
