

# Locating a Large Group Provider on mvphealthcare.com

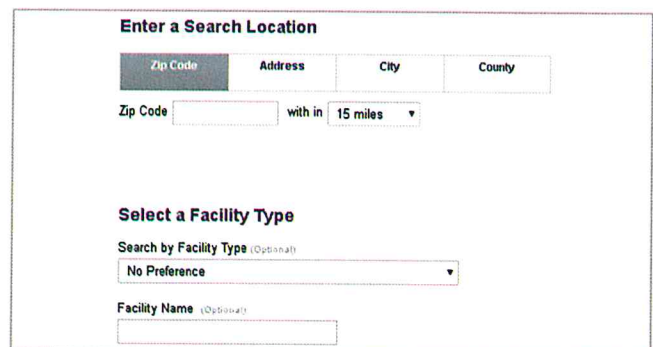

1. Go to mvphealthcare.com and select “Find a Doctor”

2. Select “Find a Doctor” or “Find a Facility”

3. Select “Guest,” then “Preferred EPO/PPO/HD EPO/HD PPO,” then *Next*.

4. Enter the search location and/or general information for the provider.

You can narrow or broaden your search, as needed, then print a directory for future reference.

- Enter the zip code and select a distance in miles, then select *Search* for a general listing; or,
- Select a Facility Type and enter the doctor’s name for more specific results.
- Select “Search” to proceed to your results.
