August 5, 2016
> Due date for fall 2016 semester bill for years 1-5 (bills will be mailed weeks of June 17, 2016)

November 17, 2016
> Due date for spring 2017 semester aid bills will be mailed week of December 12, 2016

January 13, 2017
> Due date for spring 2017 semester bill (bills will be mailed week of December 12, 2016)
ACPHS was recently ranked No. 1 for the impact our education has on student outcomes. This ranking, based on a Brookings Institution report including 3,173 colleges nationwide, was compiled using data from the Department of Education College Scorecard. According to Brookings, “Graduates of some colleges enjoy much more economic success than their characteristics at time of admission would suggest.”

To break this down further, at time of enrollment, ACPHS students were expected to earn $41,667 based on educational and socioeconomic predictors. However, ten years after beginning their studies, our graduates earn, on average, $116,401 a year—an impact of nearly 103% value added by the College.

1. All 2016-2017 estimated costs listed above are subject to approval by the ACPHS Board of Trustees and may be subject to change at any time at the discretion of the College.
2. Professional years (3-6) of the Doctor of Pharmacy program will have a different tuition rate.
3. Mandatory fees do not include: Freshman Orientation Fee ($350); Transfer Orientation Fee ($175); Parking Permit Fees ($260–$340); Residence Activity Fee ($40); and International Student Fee ($200 where applicable). Laptop computer is mandatory for all incoming students.
4. All 1st and 2nd year students are required to live in Notre Dame or South Hall.
5. Meal plan is mandatory for all 1st and 2nd year students residing in the residence halls.
6. Estimated costs for textbooks are $700 for the fall semester, and $300 for the spring semester.
7. Do not include the federal work study grant.

As you explore the cost and financing options of attending ACPHS, as well as other colleges, it is important to take into account the return on investment that each institution offers. We are proud to have been ranked first in this report and will continue to strive toward providing our students with the most valuable education possible.
