What's cooking: Rewarding and Reminding Students with Brownie Points—BlackBoard Retention Center

INGREDIENTS

BlackBoard: Retention Center

TIPS

* Do not include high achievers in the risk table.

* Monitor specific students who fall too far behind.

* Monitor your own activity to adjust your interactions with students.

METHOD

1. Access: Control Panel —> Evaluation —> Retention Center

2. Review the risk table by clicking the risk indicators

3. Customize/create rules to set up your own monitoring factors.

4. Monitor and notify students at risk.

5. Send encouraging messages to high achievers.
