What's cooking: Get Efficient with BlackBoard Grader App in Your Brownie Time

INGREDIENTS

Mobile device (requires iOS7+ / compatible with iPad 2, 3, or 4, iPad Air & iPad Mini) and BlackBoard Grader App

TIPS

* You can **only** see class assignments—not discussion board, lectures, etc.

* Compatible files include:

- PDF, MS Word, MS PPT, and JPEG and PNG images.
- HTML (file not supported for annotation but can be downloaded on personal device).

* Grader can provide written, audio, and visual feedback.

- Camera allows a 1-minute audio/video recording.
- Recordings are not annotated on the document. View by clicking audio/video buttons.

* A course-specific rubric can be uploaded.

- You may provide feedback regarding rubric scores (explain why grade is "proficient").

METHOD

1. Start by downloading the free "BB Grader" app in the Apple App Store.
2. Open the App and search for your college (Albany College of Pharmacy & Health Sciences).
3. Use BlackBoard log-in information to access your courses.
4. The top scroll-down menu contains all the courses you teach.
5. The screen shows all the student assignment submissions along with time of upload.
6. Click on any student submission to start grading and interacting!
7. See [the video](#) for basic instructions.
8. Explore [the various features](#) via the link a grader can use.
