Albany College of Pharmacy and Health Sciences – Colchester, VT Campus

2:45 pm  Program Adjourns

Albany College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

UAN #s:
Learning Objectives: At the end of the symposium the participants should be able to:

- Recognize the risks of polypharmacy in the elderly
- Discuss screening, diagnosis and treatment of osteoporosis and related bone disorders
- Describe current approaches to the treatment of osteoarthritis
- Summarize the evaluation of and appropriate interventions for Alzheimer’s Disease
- Examine the current use of antipsychotics in the elderly

Activity Type: Knowledge based.

Target Audience: Practicing pharmacists and student pharmacists.

Continuing Education Credit: Continuing Education credit has been approved for 5 contact hours or 0.5 Continuing Education Units (CEUs).

Participants must sign in at the registration table and must complete the online learning assessments for the activities attended after the program to receive credit for this activity. Upon completion and verification, your continuing pharmacy education credits will be sent to CPE Monitor. Statements of credit may be printed from the CPE Monitor website at: www.nabp.net/pharmacists, or from the ACPHS Learning Management System.

Handouts: Program handout will be e-mailed prior to the program.

Registration for the Geriatrics Symposium: The registration fee of $100.00 includes tuition, handouts, continental breakfast and lunch. **The deadline to register is Wednesday, March 8th. Registration will be closed after March 8th.**

Important: Learning Management System (LMS) Registration Information

The Albany College of Pharmacy and Health Sciences Department of Continuing Education and Professional Development implemented the ACPHS CPE learning management system in February 2015. The ACPHS CPE learning management system manages all phases of each continuing education activity - from registration through completion of evaluations - with secure, hosted software.

The LMS provides program participants the ability to create and manage their own accounts, complete activity requirements, and even print certificates of attendance.

All ACPHS program participants must create a personal LMS account, which includes your NABP #, your MM/DD of birth, and the name and address of your practice site if you are a preceptor, as well as your e-mail address.

You will be able to register, receive your handouts via e-mail, and complete program evaluations/learning assessments all in one place. As soon as we receive and verify your completed activity requirements, your credits will automatically be submitted to CPE Monitor.

To establish your personal account, please go to the [https://pharmacyce.acphs.edu/](https://pharmacyce.acphs.edu/).

**Step-by-step instructions can be found by going to:** [http://www.acphs.edu/alumni/continuing-education](http://www.acphs.edu/alumni/continuing-education). Once there click on ACPHS Learning Management System.

You will have 30 days from the day of the program to complete the evaluations and learning assessments to receive ACPE credit.

On-site registrations are no longer accepted and paper handouts are not provided.
