

# COVID-19: PREPARE, PREVENT, AND PROTECT

Make your safety a priority

## WHEN YOU COME TO CAMPUS

Be prepared to exercise personal responsibility for your health and well-being. Everyone is safer when we all take responsibility and proper precautions. In addition to following Center for Disease Control and other Health Department recommendations, consider packing the following items for college:

- personal/pocket sized hand sanitizer, disinfectant wipes, and tissues to have in class
- full-sized hand sanitizer, disinfectant wipes and tissues to have in your room/apartment
- thermometer (required for daily screening checks)
- paper towels and antiviral cleaning products
- lysol spray or other disinfectant sprays
- disposable face masks\*
- washable face masks and other stylish face coverings\*
- disposable gloves
- antibacterial soap
- shower caddy
- toothbrush case
- disposable cups, plates, utensils
- ziplock bags (always handy)
- trash bags
- over the counter medications including fever reducer
- health insurance card/info
- family communication and reunification plans

**\*FACE COVERINGS WILL BE REQUIRED IN ALL PUBLIC SPACES**
