\*Undergraduate students include BS-seeking and Pre-Pharmacy students.  
\*\*\*Graduate students include MS-seeking students.  
\*\*Professional students include students in the professional years of the Doctor of Pharmacy program (P1-P4).

ACPHS reports gender and race/ethnicity data on students enrolled as October 15 of each year in the IPEDS Fall Enrollment Survey. IPEDS only allows for the reporting of student gender in a binary system as either *Man* or *Woman*. Internally, ACPHS is exploring more inclusive ways to collect and report student gender data. Totals may not add to 100.0% due to rounding.

Data were last updated 2/18/25.
